We serve Indiana, Illinois, Kentucky, Ohio, Illinois, and Missouri.  
Liability insurance is very expensive, and most area rental  
companies choose to operate without it. We are fully licensed,  
insured, state inspected, and our experience speaks for itself.  
All Blown Up Inflatable Rentals, LLC follows accepted industry  
practices and carries a \$2,000,000 general liability policy. This  
policy allows us to use indoor facilities that require proof of  
insurance, such as local school systems, and corporate entities.

We are Accredited Members of the Better Business  
Bureau, members of the American Rental Association (ARA),  
International Association of Amusement Parks and Attractions  
(IAAPA), the Inflatable Rental Company Operators (AIRCO),  
and the Safe Inflatable Operators Training Organization  
(SIOTO). SIOTO has recognized us as one of less than 100  
inflatable companies in the United States certified with both  
BISOC (Basic Inflatable Safety Operations Certification) and  
AISOC (Advanced Inflatable Safety Operations Certification).
